## DOPPS Program Spring Scientific Update Meeting

Virtual Meeting - Friday, 9 June 2023

---

Dear Colleague,

It is time to register for the next **DOPPS Program Spring Scientific Update Meeting on Friday, 9 June 2023**. Please join us for a webinar that will include the latest updates on the worldwide DOPPS Program (DOPPS, PDOPPS, and CKDopps).

We will present new scientific work with expert speakers followed by a panel discussion where audience questions will be answered. This meeting will be held online and registration is required to attend (please see the registration button below). We hope you can join us to hear about novel DOPPS Program research and participate in interactive discussions. If you are planning on attending the ERA-EDTA Conference in Milan, see the end of this email for additional information on continuing the discussion in person.

If you have any questions, please contact the DOPPS Program Coordinating Center at [DOPPS@ArborResearch.org](mailto:DOPPS@ArborResearch.org).

Best regards,

*DOPPS Program Coordinating Center (on behalf of the DOPPS Investigators)*
